

TEQtour CRAFT

Production with WEINMANN machines in the craft sector.

On **November 14, 2023**, in the run-up to this year's WEINMANN Treff (November 15-16, 2023), we invite you to the **TEQtour Craft**. At the TEQtour, we offer you the opportunity to visit two WEINMANN production facilities with a bus tour accompanied by our sales staff.

What awaits you on site?

Craft customer 1: Zimmerei Braumandl

Carpentry machine BEAMTEQ B-660, Compact line consisting of a multi-function bridge WALLTEQ M-300 and a butterfly turning table.

Craft customer 2: Engelhardt + Geissbauer

Wall production line consisting of several assembly tables, multifunction bridges, an insulation bridge and wall storage technology.

The supply of food and drinks is provided throughout the day.

Participation in the TEQtour is only possible for visitors of the WEINMANN Treff. You can register for the WEINMANN Treff [here](#).

We look forward to your participation in the TEQtour and your visit of the WEINMANN Treff!
